Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

STORIES IN STONEPARIS: A FIELD GUIDE TO PARIS CEMETERIES AND THEIR RESIDENTS

[DOWNLOAD](#)

Gibbs Smith. 1 Cloth(s), 2013. hard. Book Condition: New. As much as Paris is the city of lights, love, and art, it is also a city of the dead, with seven million people interred in the catacombs of Montparnasse alone. Elaborate memorials celebrate the lives and mark the remains of the city's most famous citizens, from Victor Hugo to Serge Gainsbourg, as well as permanent expatriates like Jim Morrison. It seems only fitting that Douglas Keister should follow up *Forever L.A.* and *Stories in Stone New York* with this surprisingly delightful linen-bound guide to Paris's most beautiful cemeteries, with hundreds of photos and descriptions of notable resting places. The book also includes a removable two-sided watercolor map of the grounds of Cimetière Père-Lachaise. 244.
