Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A witty collection of essays from the best writers club in Florida. These writers make the Algonquin Round Table look like a bunch of dead people. Topics include: Terrorists and the World Trade Towers on 9-11; Time Travel; How to avoid the police and the police state; New York s Triangle Shirtwaist Factory Fire; the Pledge of Allegiance to the flag; Economics 101; She Was Temperamental; the Crucifix. Before joining the Dead Writer s Club and becoming the editor for this collection of authors, Ian Tinny was a part-time instructor to Probation Officers and to Judges, and his work led to the arrest, trial, conviction, and imprisonment of America s Dumbest Criminals. Another volume by the Dead Writers Club is BFFs Analects. Tinny is also the author of the groundbreaking book Pledge of Allegiance Swastika Secrets. It is a semi-biographical work about the nation s leading authority on the Pledge of Allegiance and his many discoveries, including: (1) that the Pledge of Allegiance to the flag was the origin of the Nazi salute and Nazi behavior; and (2) that the swastika, although an ancient symbol, was also used to represent crossed S letters for socialism under Nazism (the National Socialist German Workers Party). Drug Detection Dog Training - Libertarian Lawyers Fight Police State USA, is another book by Tinny. Tinny also authored a classic science fiction tale revealing an amazing discovery about time travel.
