# CORPORATE GOVERNANCE FOR SUSTAINABLE ENVIRONMENT

2004. Hardcover. Book Condition: New. 300 Environmental degradation has assumed alarming dimensions today. This has made environmental management a specialised field which is beyond the scope of governments. Environment is a global issue unrelated to national boundaries. It requires a set up that is above the national concerns and of universal nature. This book highlights this fact and emphasizes on the Corporate Governance of Environment. What is more is that, this work fixes the social responsibility of the corporates, discusses...
