On a dark and steamy Caribbean night, Brendon Burchard stood bleeding atop the crumpled hood of his wrecked car. That night he learned about mortality, discovering that at the end of our lives we will all ask, Did I live Did I love Did I matter Since that fateful night, Brendon has lived a fully charged life, and has helped millions of people around the globe transform their lives and feel more alive, engaged, and fulfilled. Brendon observes that the emotional energy of the world has flatlined, and he sets out to fix it. People are stressed, restless, and wanting more out of life. Despite the fact that most people have what they need to be happy, they rarely feel the levels of excitement, engagement, or satisfaction they deserve. So what's the solution In The Charge, Brendon argues that the only way to measurably improve the quality of your life is to learn how to activate the very 10 drives that make you most human. These drives are your desires for more control, competence, congruence, caring, connection, change, challenge, creative expression, contribution, and consciousness. These drives shape everything you think, feel, and do in life, so understanding and mastering them is critical to your success and happiness. Strategically activating these drives on a consistent basis is the fastest path to living a fully charged life. Harnessing our human drives is not easy; if it were, we wouldn't see so much restlessness in the world. That's why Brendon has devised what he calls the true activators of human experience a series of powerful yet simple actions you can take to radically increase your levels of energy, engagement, and fulfillment in all areas of your...
