Royal Academy of Arts. Paperback. Book Condition: new. BRAND NEW, Lines: Ian Ritchie, Ian Ritchie, With an eclectic practice embracing urban planning, public sculpture and industrial design, Ian Ritchie CBE RA is one of Britains most visionary architects. Published here for the first time, his poems, aphorisms and etchings witness a profound engagement with the built environment. Ritchie writes poetry in order to better understand a project, using words to investigate the particularities or challenges of a site, and the process of composition to bring ideas into focus. His calligraphic etchings imagine the shape or spirit of commissions in simple but powerful strokes. Variably pragmatic and philosophical, often witty, his aphorisms on work and life from the importance of light to the nature and possibility of progress reveal a modernists belief in the potential of architecture to improve society. These are lines of thought, committed to paper before any designing begins. They demonstrate that, for Ritchie, being an architect is many more things besides. Ian Ritchie CBE RA is an internationally acclaimed architect. His built designs include the Leipzig Glass Hall, the Spire of Dublin, the elevator shafts for the Centro de Arte Reina Sofia, Madrid, and the RSC Courtyard Theatre, Stratford-upon-Avon, winner of the RIBA National Award in 2007.
