Howling at the Moon Publishing Ltd, New Zealand, 2014.
Paperback. Book Condition: New. New.. 210 x 148 mm.
Language: English . Brand New Book ***** Print on Demand *****.In Our Stories, author and journalist Ian Wishart brings out the most fascinating forgotten tales of our past, told through the eyes of the people who were there. Read about the tsunamis that washed away the homes and lives of our early European immigrants, or the earthquakes that toppled Christchurch buildings more than a century ago and lifted Wellington out of the sea. Read the real story about the search for gold, or the visiting circuses whose lions and leopards escaped, or the dinosaur found on a Taranaki riverbank (it s still there because it was too big to move!) Discover the heroes and villains of our past through long forgotten news stories from New Zealand, the USA, UK and Australia, and find out how life really was in pioneer days. These, and many more, are our stories.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
