Pearson Education (US), United States, 2011. Paperback. Book Condition: New. 231 x 188 mm. Language: English . Brand New Book. Click here to take a guided tour of Making the Move! Written specifically for K-12 teachers, this book covers all aspects of online education. Unique in its focus on K-12 learning, this book shows educators how to transform their teaching as they move from traditional face-to-face classrooms to online settings. Taking into account what teachers know about effective traditional classrooms, Kerry Rice guides the reader step by step through the change showing how familiar concepts, such as setting the tone, building community, course design, lesson planning and assessment, must be re-examined in the context of the online classroom. With the simple premise that teachers need practical information to move beyond traditional practices, it provides an overview of the key principles of effective online instruction, emphasizes the power of the learner-centered approach, and discusses the technology tools that make online delivery and design possible. Filled with checklists, guidelines, vignettes and sample lessons, the book guides educators through the changing landscape of education as they make the move to K-12 online teaching. Key Features * Coverage of all aspects of K-12 online education shows educators how to move classrooms from traditional to online settings and how to build 21st century skills such as problem solving, synthesizing, use of networks and workgroups, cultural and global awareness and the ability to communicate effectively in multiple media. * An overview of key principles of effective online instruction emphasizes the power of learner-centeredness and how this framework drives online teaching and its core methods such as active participation, collaboration and community building, and authentic assessments. * A chapter devoted to the essential tools for teaching online (Chapter 3) describes important technology such as learning management systems,...
