Brand New Book ***** Print on Demand *****.Musical ComedyCharacters: 4 males, 5 females, plus 2 males children, 2 female children They come from several million miles away, But they are not on vacation, they are here to stay! Several young campers and their adult counselors are stranded at a mountaintop wilderness retreat on the night of October 30th, 1938. When someone switches on the radio to Orson Welles War Of The Worlds live broadcast, the night that panics America also becomes the night that panics Camp gitchieboomie. Are little green men from Mars actually surrounding the mess hall, ready to make a mess of everyone inside? Can the feuding boys and girls work together to save themselves from the mysterious alien invasion? And why is that strange hairy, bug-eyed monster lurking in the bushes?This hilarious, family-friendly musical recreates the innocent fun and slapstick humor of the wise-cracking, high-spirited film comedies of the late 1930s, complete with spooky campfires, ghostly shadows, hair-raising Halloween surprises and the scariest radio play of all time that nearly fooled the entire nation. The lively, toe-tapping original songs are fondly reminiscent of the popular scores from the golden age of the Warner Brothers and MGM film musicals with plenty of high-kicking, energetic and imaginative choreography in the unforgettable styles of Busby Berkeley, Fred Astaire and Gene Kelly.This happiest-of-Halloween musical comedies is guaranteed fun for the entire family, from the youngest monster movie fan to the oldest senior who actually experienced that memorable night breathlessly cowered in front of the radio when the world was invaded by Little Green Men. Move over Annie. There s a new musical in town. Watch out, Broadway. Little Green Men are headed your...
