*****. Do not seek outside yourself Man is his own star; and the soul that can Render an honest and a perfect man, Commands all light, all influence, all fate; Nothing to him falls early or too late. Our acts our angels are, or good or ill, Our fatal shadows that walk by us still. Published first in 1841 in Essays and then in the 1847 revised edition of Essays, Self-Reliance took shape over a long period of time. Throughout his life, Emerson kept detailed journals of his thoughts and actions, and he returned to them as a source for many of his essays. Such is the case with Self-Reliance, which includes materials from journal entries dating as far back as 1832. In addition to his journals, Emerson drew on various lectures he delivered between 1836 and 1839.
