Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from Occidental College Bulletin, Vol. 1: November, 1906 The university is an institution that reaches out in every direction that it is able to reach. It does work in a great many lines. A college is necessarily, in a way, conservative. Its work lies along the line of drill and routine. A university is essentially radical, because its work is carried on through lines of investigation. We may compare, in a way, a university to a large hotel, with a very extensive bill of fare of various things. You read down through this and select what you want. A college ought to have only one set of dishes. It should be like the menu or bill of fare of a good boarding house; and a good boarding house may have just as good a bill of fare as a great hotel. The only question is, - are the things well chosen, are they well cooked; and the questions with the small college will be, - are the subjects which it chooses to teach well selected, and are they well taught. Now, the small college has a good many perils; but the chief ones are that it may pretend to do what it cannot do, or that it may pretend that the things it cannot do are not worth doing. So long as it is genuine and does well the things it tries, the question of large or small size is very incidental. There are other perils of the small college, and one is that of striving to catch the eye in one way or another. Some small colleges, for instance, have had great foot-ball teams which...
