## CRAZY THINKS

Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This work is simply the crazy thinks of one man s life starting at age eight in 1948 and continuing to retirement in 2004. Probably not much different that many of you readers. The thoughts start in a small Midwestern town where growing up was strictly biological and without direction or purpose. A place where things were done because that was what you did. A time when everything seemed predestined. The stories were gathered by traveling on the roots of lightning strikes as they formed spider webs across the sky: by flowing with Kandinsky strokes down his canvas; from trekking the aortas to their essence; floating along with receding notes of warbling song birds; drifting with the lazy smoke from Colorado log cabins; and discovering where giggles of glee from children at first discovery call home. Come along with me and share in the Crazy Thinks.
