Scandalous accusations are made, but worse is to come when a party in the house where the Treasures are staying is interrupted by the police, come to question the local MP after finding his glamorous secretary ghoulishly murdered. While the probable suicide of the likeliest suspect promises a swift and easy solution to the case, it's too much so for the conscientious DCI Furlong, especially when another less explicable death occurs. But when Treasure discovers that Furlong is about to arrest someone who the banker is positive is blameless, he sets up his own investigation. This item ships from multiple locations.
