Summary: You are only 30 Short Days Away From a Happier Life with Minimalist Living! We are brought up in a culture that instills in us a passion to own things. We are taught (inadvertently) that happiness can be purchased at a store, or a car dealership, or even in the form of that huge six bedroom house with a pool and a tennis court. That entire school of thought is nothing but outright lies and propaganda! With minimalism, you will learn the freedom that can be achieved by having fewer possessions and a fuller life. It takes freedom in stepping off the road to consumerism while daring to find happiness in other aspects of life. It values things like experiences, relationships, and care of the soul. In the act of doing these things, it finds both peace and happiness. Download this book now, and find out Step-By-Step how YOU can adopt a Minimalist Lifestyle in just 30 days!
