

The Nature of the Judicial Process

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

THE NATURE OF THE JUDICIAL PROCESS

Quid Pro, LLC. Hardcover. Book Condition: New. Hardcover. 158 pages. Dimensions: 8.6in. x 5.8in. x 0.7in. Judges don't just discover the law, they create it. A renowned and much-used analysis of the process of judicial decision-making, now in a library-quality cloth edition with modern formatting and presentation. Includes embedded page numbers from the original 1921 edition for continuity of citations and syllabi. Features a new, explanatory Foreword by Justice Cardozo's premier biographer, Andrew L. Kaufman, senior professor at Harvard Law School and author of *Cardozo* (Harvard Univ. Press, 1998). Justice Benjamin Nathan Cardozo (1870-1938) offered the world a candid and self-conscious study of how judges decide cases and the law - they are lawmakers and not just law-appliers, he knew - all drawn from his insights and experience on the bench in a way that no judge had done before. Asked the basic questions, What is it that I do when I decide a case? To what sources of information do I appeal for guidance, Cardozo answered them in his methodical, rich, and timeless prose, explaining the proper use of such decisional tools as logic and analogy to precedent; analysis of history and tradition; application of public policy, community mores, and sociology; and even the subconscious forces that drive judges' decisions. This book has impacted the introspective examination of the lawmaking process of the courts in a way no other book has had. It continues to be read today by lawyers and judges, law students and scholars, historians and political scientists, and philosophers - among others interested in how judges really think and the tools they employ. Judges are people, and lawmakers, too. The great tides and currents which engulf the rest of men, do not turn aside in their course, and pass the judges by. We like to figure to...
