Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

THE ANIMAL KINGDOM, ARRANGED IN CONFORMITY WITH ITS ORGANIZATION: THE CRUSTACEA, ARACHNEDES, INSECTA (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Animal Kingdom, Arranged in Conformity With Its Organization: The Crustacea, Arachnedes, Insecta In presenting this abridgement of the well known Animal Kingdom of the Baron Cuvier to those who are charged with one of the most honourable and responsible offices of the Republic, that of directing the education and forming the minds of those into whose keeping its future prosperity and happiness must be inevitably committed, I beg leave to anticipate the possible charge of interested adulation, by declaring that I have no pecuniary concern in the work, which is, exclusively and entirely, the property of its enterprising publishers. To say that I am not interested in its adoption by our Teachers, would be false, for I must confess I look anxiously for that event, but from other motives than the auri fames. The schools of continental Europe have long been supplied with works on the Natural Sciences, more particularly so called, expressly prepared for that purpose by order of Government, while here they are as yet among the desiderata. A little reflection will soon convince every intelligent mind, that an elementary course of Zoology may be pursued by the pupil, without interfering with the usual matters to which alone his attention is at present directed, and that of course the argument of time lost falls to the ground. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
