## PHILIP'S STREET ATLAS LONDON

To download **Philip's Street Atlas London** PDF, please refer to the link listed below and download the ebook or get access to other information that are in conjunction with PHILIP'S STREET ATLAS LONDON ebook.

Octopus Publishing Group. Spiral bound. Book Condition: new. BRAND NEW, Philip's Street Atlas London, Philip's, A fully revised edition of this mini street atlas of inner London, which gives comprehensive and detailed coverage. The street maps of central London are at 7 inches to 1 mile, with the rest of inner London at the clear scale of 3.5 inches to 1 mile. The maps mark every named street, lane, alley, court and walkway, plus car parks, tube, rail and bus stations, post offices, schools, colleges, hospitals, police and fire stations, places of worship, leisure centres, footpaths and bridleways, golf courses, and many other places of interest. The central London Olympic venues are clearly shown. A theatres and cinemas map of central London locates more than 50 theatres and cinemas, and there is also a map of the entire London Underground. The comprehensive index lists street names and postcodes, plus hundreds of places of interest. Schools, hospitals, railway stations and shopping centres, etc, are highlighted in red, while leisure and entertainment venues such as museums, galleries and sports grounds are shown in blue. Philip's Street Atlas London is suitable for both drivers and pedestrians. For drivers, route-finding in London is much easier as through-routes are highlighted, giving the user the equivalent of local knowledge of an area. Speed cameras, one-way streets and restricted turns are clearly displayed with the Congestion Charge Zone. For pedestrians, tourist sights and attractions are clearly labelled, public transport systems are featured, and its compact size fits easily into a briefcase or handbag. The clear layout and mini size are ideal for cyclists too.
