Reviews

This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NIGHTWALK: A JOURNEY TO THE HEART OF NATURE

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Nightwalk: A Journey to the Heart of Nature, Chris Yates, Chris Yates, one of Britain's most insightful and lyrical writers, raises his gaze from his beloved rivers and ponds and takes us on a mesmerizing tour of the British countryside. "Last November, the sudden appearance of a hundred wintering ravens in a wood in Cranborne Chase, where I have lived for twenty-five years without seeing more than a few solitary specimens, reminded me that there is always something ready to flame up again in the landscape, just when it seemed the fire had gone out." In Nightwalk we accompany Chris Yates on the most magical of journeys into the very heart of the British countryside. His acute observation of the natural world and ability to transcend it exquisitely sets Chris apart from his contemporaries. Time slows down for a deeper intimacy with nature, and through Chris's writing we hear every rustle of a leaf, every call of a bird. He widens the power of our imagination, heightening our senses and revealing beauty in the smallest details.
