Stories can change us, Bette Lynch Husted says in this brave and compelling memoir about her own life as a poor rural girl who became a college teacher and author. As she tells us how she continually confronted unacknowledged borders of class, gender and race, we realize that true stories such as hers have the potential to change all of us. Historian Sue Armitage, coeditor of *The Women's West* *Lessons from the Borderlands* speaks truth. Like the roots called little sisters, we are pulled from our ground and brought to our knees in the wing-brushed walk we share...
