Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

Lulu.com, United States, 2007. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book. Every day an unsuspecting child meets a sexual predator in an Internet chat room and what may happen next is every parent s nightmare. With millions of children using the Internet with limited or no adult supervision an unknowingly interacting with sexual predators, it is a very dangerous, and in many cases a deadly combination. Marilyn Mailman Segal, Ph.D., developmental psychologist specializing in early childhood development, and dean emeritus of the Family Center at Nova Southeastern University had this to say: Jay LaBonte has done an outstanding job in writing Parents Guide to the Internet to guide parents to help their child enjoy their computer without being victimized. This book gives parents the information they need to become just as savvy as their children. For more information visit.
