Houghton Mifflin. 1 Cloth(s), 2015. hard. Book Condition: New. Cardell the coyote's life is mostly wonderful; he has a perfectly good mama and a perfectly good daddy, although they live in different parts of the desert. Then a suitor named Otis comes calling, and Cardell feels a grrr form in his throat. Otis can't make jalapeño flapjacks or play Zig-the-Zag anything like Cardell's daddy, and so Cardell waits for Mama to say "Adiós, Otis." But what will happen if she doesn't? The author of the National Book Award nominee *The True Blue Scouts of Sugar Man Swamp* sensitively chronicles the formation of a stepfamily for readers 4 to 7, while Jill McElmurry's textured gouache illustrations skillfully evoke the desert Southwest." [McElmurry's] illustrations revel in the desert setting, her homey paintings evoking the look of weather-beaten folk art while contributing to the story's overall humor and sweetness." *Publishers Weekly* 34.
