PM Press, United States, 2016. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. Only a phenomenally talented and empathetic writer working from within his own culture can achieve the power and authenticity this book pulses with. Buy, steal, or borrow a copy now, because in a short time anyone who hasn't read it won't be worth talking to. Irvine Welsh, author, *Trainspotting* *The Football Factory* is driven by its two main characters late-20s warehouseman Tommy Johnson and retired ex-soldier Bill Farrell. Tommy is angry at his situation in life and those running the country. Outside of work, he is a lively, outspoken character, living for his time with a gang of football hooligans, the excitement of their fights and the comradeship he finds with his friends. He is a violent man, at the same time moral and intelligent. Bill, meanwhile, is a former World War II hero who helped liberate a concentration camp and married a survivor. He is a strong, principled character who sees the self-serving political and media classes for what they are. Tommy and Bill have shared feelings, but express their views in different ways. Born at another time, they could have been the other. As the book unfolds both come to their own crossroads and have important decisions to make. *The Football Factory* is a book about modern-day pariahs, people reduced to the level of statistics by years of hypocritical, self-serving party politics. It is about those who are insulted, marginalized, and unseen. Graphic and disturbing, and at times very funny, *The Football Factory* is a rush of literary adrenalin. This edition includes a new introduction by the author.
