Beast of the Heartland

By Lucius Shepard

Four Walls Eight Windows. Paperback. Book Condition: new. BRAND NEW, Beast of the Heartland, Lucius Shepard, The fiction of Lucius Shepard has more to do with Joseph Conrad than Isaac Asimov. Fascinated by deception and decay, and generally labeled a cyberpunk writer, his work transcends the limits of genre fiction. Beast of the Heartland contains seven tales that explore the darkside where science fiction meets horror. Headed by the award-winning "Barnacle Bill the Spacer," a story of high-space mutiny, the book includes "A Little Night Music," a gothic tale of insanity; "All the Perfumes of Araby," where an adventurer in the Middle East links up with an ancient entity; "Human History," a postapocalyptic chiller; "Sports in America," a noir tale in the Chandler tradition; "The Sun Spider," a mini space opera; and the title story -- an ingenious picture of a battered boxer on the decline.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.

-- **Adela Schroeder II**
