Barnes Noble Classics pulls together a constellation of influencesbiographical, historical, and literaryto enrich each reader s understanding of these enduring works.Anton Chekhov invented the modern short story. With writing that is concise, realistic, and evocative, he became a sort of photographer in words, less interested in plot than in the subtleties of mood and atmosphere, and the telling detail. His characters, always vividly drawn, come from all walks of life and often seem to be caught up in a world they don t quite understand.Early in his brief literary career, Chekhov outlined in a letter to his brother his idea of the ingredients of a good short story. Arguing against moral judgments and political, economic, or social commentary, he wrote, To describe . . . you need . . . to free yourself from the personal expression. . . . Subjectivity is a terrible thing. Instead, he...
