In this live action and animated adventure, Gigi might seem like an ordinary girl, but she knows that inside of her lies the heart of a princess. And, like any royal ruler, she expects to get exactly what she wants-especially when it s her birthday! So when Gigi discovers that her parents did not buy her the Princess Pinky Starr Castle, she couldn t be more disappointed. Gigi s imagination whisks her away to a fairy-tale dreamland, where she gets to build a real castle just like the one she demanded. But ignoring the King s plans for her palace leads to disaster. Who knew that a moat of chocolate milk would attract a swarm of angry bees? Or that a regal-sized bubble bath would be so hard to survive? In the end, Gigi s loyal servant (and cat), Lord Fluffy, helps her understand that the King s plan is the best plan-even if it s not what Gigi s plan would be-because God always wants what is best...
