The FBI doesn't know what to do with Analyst Caycee Scarlet. She's brash, brilliant and brutally relentless when tracking a serial killer. But she also has a temper, problems with authority figures and recognizing the chain of command. Things go sideways for Caycee when she uncovers a lead that saves the Omega Killers latest victim. Rather than working the system and making nice with her pompous boss, sparks fly and she gets into an altercation with the lead Special Agent on the case, resulting in a transfer to another assignment. Caycee finds herself transferred to an FBI interrogation facility where she assesses the most dangerous of criminals in custody. She struggles to get over the loss of her dream job, but her new boss, handsome Special Agent Gil Graham, may soften the blow. Sparks, of a different variety, fly between the Special Agent and his new Analyst, as they work together to crack the most difficult cases. Just when Caycee's wounds are healing from her expulsion on the Omega Killer team, she is dragged back into the thick of it. Caycee and her new team are front and center, focused on an interview of a bombing suspect, when Omega comes looking for revenge. His attack wounds her team, leaving Caycee with only one option for help: the devastatingly handsome bombing suspect. It will take all of Caycee's wits, and a kiss for luck, to stop Omega and save her co-workers. Look for SCARLET ENVY (Book 2 of the Scarlet Suspense Series) coming soon!
