## HEADS AND STRAIGHTS: THE CIRCLE LINE

Penguin Books Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 181 x 111 mm. Language: English . Brand New Book. Lucy is a Chelsea girl, brought up off the King s Road in the seventies when punk was in full bloom. Her family comes in the wonderful tradition of English eccentrics. In Heads and Straights, she creates a funny, moving account of a family eager to escape the confines of class. Through interlocking tales of their extravagant and often selfdestructive journeys away from the Circle line stops of Sloane Square, South Kensington and Gloucester Road, Lucy evokes the collision between conformism and bohemian excess and the complicated class antipathies that flourished in that particular time and place. In the end we are left wondering - is it ever possible to escape, or do we, in our travels, simply loop back on ourselves?.
