Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Angels of the Quantum Gate is science fiction with a twist. It is certainly science fiction with fantasy elements, but it is encapsulated in a wry, satirical first person narrative that is very convincing. It involves a simple man who is swept into galactic encounters, universal truths, and purposes that are beyond understanding. The sardonic evolves into the spiritual in a work that, somewhere, may require belief.
