Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

DRUGS: A NOVEL

Seven Stories Press, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This guy Helton could be the next Bukowski." -Terry Zwigoff, director of Crumb and Ghost World "J. R. Helton really speaks to me-starkly honest, darkly funny, acutely observant, and captures the tragic absurdity of human life. . . . [H]e's right up there with the best of them." -Robert Crumb "Helton . . . writes with passion, clarity, and fairness." -Harvey Pekar, author of American Splendor "Just when you think there's nothing to new to say about drugs, Drugs marches out whole new ways to fuck up your brain, your life, and basically anyone insane or unlucky enough to cross your path. This is a truly riveting, mind-altering read, not to be missed." -Jerry Stahl, author of Permanent Midnight "Appearances can be deceiving-JR Helton's wonderful book is not so much about "Drugs" as it is about growing up in America as viewed through the prism of our national past-time. Funny and poignant, Helton has delivered a book that would make Mark Twain proud-it's hilarious, true and subversive-a perfect piece of modern American writing."-Tony O'Neill author of Down and Out on Murder Mile and Sick City.
